

How long can residents cover their needs without income?

Results show a clear pattern across all age groups. Most people either run out of money **within 30 days** or have at least 4 months of savings.

SOURCE: LLOYD'S REGISTER FOUNDATION PRODUCES THE WORLD RISK POLL EVERY TWO YEARS TO EXPLORE THE RISKS FACED BY ORDINARY PEOPLE. THE LATEST SURVEY INCLUDED RESPONSES FROM 147,000 INDIVIDUALS IN 142 COUNTRIES, 2024. SURVEY QUESTION: SUPPOSE YOUR HOUSEHOLD SUDDENLY LOST ALL INCOME AND HAD TO SURVIVE ONLY ON SAVINGS AND THINGS THAT COULD BE SOLD. HOW LONG WOULD YOUR HOUSEHOLD BE ABLE TO COVER ALL THE BASIC NEEDS SUCH AS HOUSING, FOOD AND TRANSPORTATION? NOTE: RESPONDENTS WHO ANSWERED "DON'T KNOW" OR "REFUSED" WERE NOT INCLUDED IN RESULTS. DUE TO ROUNDING, PERCENTAGES COULD BE 1 PERCENT HIGHER OR LOWER THAN 100 PERCENT.
